

Promoting your business is essential. If you haven't spent time at festivals, fairs, and markets, you're missing out on a great way to increase your business and meet the kind of people you want to do business with. Let us introduce you to your next potential customers; people who care about the environment and their greener lifestyle.

Bringing your business onboard our trailers to an event, be it commercial, private or eco-oriented, you are on the forefront of putting into practice your green philosophy and values, and it will show.

Eco-friendly businesses understand that in order to make a difference in the world, we have to live consciously - bring that philosophy into the businesses you run. We will gladly help you find eco-friendly events and promotional opportunities. Let's make a difference together toward a green future!

Eco Earth Yacht™ suggests the following good reasons for leasing one of our trailers:

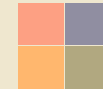

- Fundraisers
- Promotional events and tours
- Festivals
- Private events
- Promotions of Film, art and live arts openings and events
- Promoting your green business
- Conferences
- Non-profit causes

Eco Earth Yacht™ Outreach

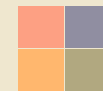

vintage eco-outfitted airstream
trailers with custom wood
interiors

Increase your visibility

*available for weekend events,
marketing promotions, educational
outreach, public & private events,
expos and festivals*

**For a greener conscious living,
while bringing you business**

Eco Earth Yacht™ Outreach

*as featured in the SF Chronicle
& Tech TV*

Eco Earthyacht™ Outreach has vintage airstreams available for lease for events and promotions. You'll stand out at any event and increase your visibility, while having fun and staying green!

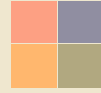

Each of the trailers shows ecostyle.

Built with custom woodwork, using green building materials like bamboo flooring and trim, composting toilets, wind and solar powered electrics, these trailers show quality and ecological design. They are an expression of a better future through greener living.

Delivered by veg-oil fuel diesel trucks

*Served as media center for:
Web TV at the SF Green Festival
and for Alice Radio at the We the Planet Activism and Music Festival*

*Displayed by invitation at:
SF Green Festival, Bioneers, Santa Cruz Gaia Song Conference, Sol Fest, Marin Solar Home Tour, Health & Harmony*

A great promotional tool

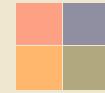

We'll be happy to bring the trailer to any event that you have planned for sales and promotions. With or without your own detachable display banners onboard, these trailers will gain you the attention you need to increase awareness of your product, service, educational program or public outreach. And you'll know you'll be reaching your potential customers in a positive earth-friendly green and socially responsible way.

Hear what some of the 8,000 people who have visited say:

"The space is delightful! It's a warm and welcoming space to be in!"

"I've heard these trailers are one of the 100 best things made in America, a real classic American icon."

"This trailer is so nostalgic Americana! What a great retro-way to travel and meet people out on the open road. It could be a new opportunity to reach out to the cross-cultural diverse America of today."
